Hum Home Services provides simple easy and fast photography, handy man, painting and small clean out work that can suit all of your needs. For our photography we offer both drone and standard camcorder photography in 1080p and 4k resolution at reasonable prices. For the rest of the services its staffed by professionals who have done all kinds of work both large budget and small time and can provide you with an excellent outcome. For additional information please call at (315)224-0352, or email me at hum.dronephotography@gmail.com

Thank

You.
